

Parks Use Policy

The City of Pine City has a variety of parks which provide different recreational and leisure amenities to the community. Voyageur, Robinson, and Westside Park/PC Beach and the City Softball Fields can be reserved. Park facilities are open on a first come first serve basis unless a reservation has been made. Non-profit and for-profit organizations are required to supply a certificate of insurance as a condition to reserve park facilities and grounds for events.

City Parks

The parks listed below are designated City owned and managed parks.

Lions Park in Woodpecker Ridge, Meadow Ridge Park, Voyageur Park (excluding the area as shown on attached exhibit), Challeen Park/Fishing Pier, Robinson Park, Westside Park/PC Beach, Thomas Park, Riverside Park, City Softball Complex, and Hilltop Park (outdoor skating rinks).

Parks Use

The City of Pine City has set guidelines for parks use to preserve the function and beauty of the city parks and protect the enjoyment of all the patrons. An overview of Chapter 3 of the City Ordinances states that all parks are to be used in a respectful way. The City does not allow signs or items to be affixed to city property. Nothing should be tied, posted, nailed, stapled, or affixed in any way to any city structure or tree. All signs must be free standing on non-permanent posts. Unauthorized vehicles are not allowed to drive on City park property.

Patrons will use structures as they are intended; play on the playgrounds, sit at the picnic tables and benches and fish, swim and play disk golf in designated areas. Unauthorized uses include but are not limited to: fishing from the beach docks, skateboarding in non-skateboarding areas, hanging in the trees and standing or sitting on tabletops. These activities will not be tolerated. Tobacco use of any kind; including but not limited to cigarettes, cigars, chewing tobacco and e-cigs is prohibited. These products are only allowed in designated areas at certain park locations and certain times as posted.

Any patrons who bring any additional attractions/activities (for example: inflatables, stages, tents, canopies and dunk tanks) to the city parks must submit a location sketch and liability insurance certificate to City staff for approval. If the additional attraction/activity is approved, the person obtaining the permission will be required to provide liability coverage for such attractions/activities. Patrons will be responsible for placing a Gopher One call to locate underground utilities prior to securing additional approved attractions. The City will need proof of insurance on file before the date of the attraction/activity.
