**Why Register Your Dog?**

1. Your dog is more likely to get back home sooner!
  - Licensed pets are 3x more likely than unlicensed pets to go home again!
2. It's the law.
  - The City of Pine City required dogs to be licensed. See [Chapter 5, Section 525, Animal Control of the City's Code of Ordinances](#) for more information.
3. It ensures a dog is vaccinated against rabies.
  - This important vaccination keeps your pet safe & healthy.
4. A Dog License Tag is \$10.00 and follows the same schedule as the rabies vaccination.
  - Typically, it is 1 year for the first round of shots and then every 3 years afterwards.
5. Should your dog get impounded and has a City Tag you will receive a discounted impoundment fee.
  - We don't want to be "dog catchers" but should your pup escape your care and a resident calls us with a dog in their possession, we will pick them up. If they have a registration tag and we have current up to date information for the owner - we can call and/or email you right away!
