

ORDINANCE #19-02
CITY OF PINE CITY
COUNTY OF PINE
STATE OF MINNESOTA

AN ORDINANCE FOR THE REVISION OF CHAPTER 4 SECTION 410 SOLID WASTE TO INCLUDE RECYCLABLE MATERIALS

The City Council of the City of Pine City, upon public hearing held the 2nd of January 2019, and upon recommendation of the Ordinance Review Committee does hereby ordain the following amendments to the City of Pine City Code of Ordinances:

Chapter 4 Section 410 Solid Waste, Section 410.01 Definitions, **Subd. 5 Recyclable materials.** "Recyclable materials" means materials that are separated from mixed municipal solid waste for the purpose of recycling or composting, including paper, glass, plastics, metals, automobile oil, batteries, source-separated compostable materials, and sole source food waste streams that are managed through biodegradative processes. Refuse-derived fuel or other material that is destroyed by incineration is not a recyclable material. [*Pulled from 2017 Minnesota Statutes 115A.03 Definitions*]. Residential solid waste haulers shall provide collection and hauling for recyclable materials. A list of recyclable materials required to be collected shall be approved by the City and provided to haulers.

Section 410.02 Disposal Requirements Subd. 2 Container Required. All mixed municipal solid waste **and recycling** shall be stored in containers which shall be watertight and shall have tight-fitted lids. The containers shall be maintained in a clean and sanitary manner. Any mixed municipal solid waste which by its size or bulk cannot be stored in a container shall be secured to the ground in a manner to prevent the scattering of the mixed municipal solid waste by animals or wind.

Section 410.04 License Required Subd. 4 Duration. No license issued hereunder shall be for a period longer than ~~one (1) year~~ **two (2) years**. All licenses shall expire on December 31, unless sooner revoked or forfeited, and unless renewed. If a license granted hereunder is not renewed previous to its expiration, then all rights granted by the license shall cease and any work performed after the expiration of this section have been satisfied. Subd. 8 Rate Changes during the Term of a License. During the initial

one ~~(1)~~ **two (2) year** term and any continuation of a license by renewal, rates for services may be increased from those stated in the successful original application only upon approval of the Council. Increases will generally be approved only upon significant increase in tipping fees and/or fuel prices.

Section 410.05 Duties and Obligations of Licensed Collectors, **Subd. 5 Recycling Collection. Curbside recycling shall be mandatory for all approved residential licensed haulers.**

Passed and adopted by the City Council of the City of Pine City this 2nd day of January, 2019

This ordinance shall be effective upon publication.
